FRAME BOX COLLECTION

FRAME BOX 10  
 Designed by *Søren Lassen*

Frame Box is a square box in a cubistic shape. The simple boxes are inspired by the Kubus candleholder by Mogens Lassen, that are based on strict mathematical formulas and designed with the greatest precision. The Frame boxes are available in three sizes: 10, 14 and 20, which can be combined to exactly match your storage needs. The cubistic boxes can be easily stacked on top of each other, as the handle contains a spring function, which is easily pressed down when a box is stacked on top of another box. The Frame boxes provide a flexible storage solution – perfect for storing office accessories, jewellery, makeup and any knickknacks that need organising and storing. The small and simple Frame boxes are manufactured and assembled by hand in Denmark. It is a collection that truly unites functionality, quality and aesthetics.
