

Relief Chest of Drawers

All units from Relief can easily be connected. With five colours and three sizes, you can create multiple unique Relief combinations. The back of Relief is as beautifully designed as the front, making placement creative and fun. Relief is delivered unassembled.

About the designers – TAF

Founded in Stockholm in 2002, TAF Studio is run by Gabriella Lenke and Mattias Ståhlbom. The duo are interior designers and product concept designers. They have achieved international acclaim with a portfolio of work spanning touring exhibitions, interior design and a number of commercially successful products for different prestigious manufacturers. The studio has been exhibited at MoMA and its designs are now part of the permanent collections of Nationalmuseum in Stockholm and the Danish Design Museum in Copenhagen.

Weight recommendation

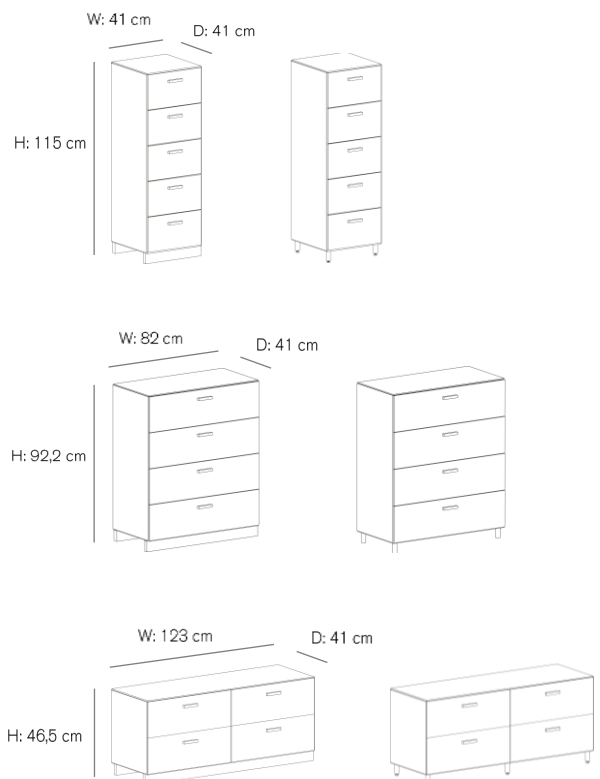

30 kg evenly spread across one drawer.

Materials and colours

Lacquered MDF, handles and legs in powder coated aluminium.

Production

Made in Sweden.

Sustainability

The Chest of drawers are made from MDF. They are transported in a flat packed solution, which enables parts to be exchanged if damaged, enhancing the circularity of the product. The legs and handles are made from aluminium which can be recycled.

Care and maintenance

Wipe the surface with a cloth. Damp wipe with detergent solution. Then rub dry with a cloth. Remove stains with detergents that do not contain abrasives. Never use steel wool.
