

# PAO GLASS FLOOR LAMP

PRODUCT FACT SHEET

## PAO GLASS FLOOR LAMP

DESIGN BY NAOTO FUKASAWA, 2024

An exciting collaboration with Japanese designer Naoto Fukasawa, the Pao Glass Floor Lamp is named after the soft, glowing shape of traditional Mongolian Pao tents. By keeping the aesthetics modest and simple, Fukasawa creates a beautiful everyday object that is in harmony with its environment. Comprising a weighted steel base and slim stand, with the distinctive shade in opal glass, the Pao Glass Floor Lamp features an integrated LED light with an inline three-step dimmer switch that offers a flexible output of light with a warm, homely glow. The lamp's functionality and deliberate simplicity of design makes it suitable for a wide range of spaces and uses in domestic and corporate environments.

### HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- The collection includes a portable lamp, as well as pendants, table and floor lamps in high-gloss steel or glass.
- The Pao Glass Floor Lamp is an elegant floor lamp with an opal glass shade that emits an atmospheric glow.
- CE approved.
- Integrated LED light source ensuring a life span of at least 25,000 hours of use with inline step dimmer.
- The fitting can be used in conjunction with a number of standard wall-mounted dimming control units.
- The lamp is suitable for both private and office environments.
- Qualified for contract use.

### DIMENSIONS

DIAMETER Ø47
