ANDROGYNE SIDE TABLE, STEEL BASE  
Designed by *Danielle Siggerud*

With its contemporary elegance and minimalist appeal, the Androgyne Side Table becomes more than just furniture—it becomes a statement piece that enhances the overall aesthetic of any space. Crafted from stainless steel, renowned for its durability and corrosion resistance, the brushed finish introduces an intriguing texture to the metal, creating an interplay of light and shadow that make the design a focal point in any room. The collection's tabletop, offered in a range of materials, can be added to the design.
