**Description:**

Give your dog bowls an upgrade with the Doppio food and water bowl set. These design bowls made from high-quality porcelain come in a high-gloss finish in three timeless colour combinations.

Designed by Danish design team Hans Thyge & Co exclusively for MiaCara, the minimalist shape of the set is a perfect example of contemporary Scandinavian design.

Each porcelain bowl is manufactured in Germany to meet the highest standards in terms of both design and quality. The heavy porcelain bowls stay firmly in position during mealtime and fit seamlessly into your modern kitchen.

Complete the look with the matching tray made from lacquered oak wood. The tray is available separately.
