Mass Side Table

Lim + Lu

This versatile side table from the Mass series presents an elegant and stately platform for sculptural objects, still it is roomy enough to hold a table lamp while leaving space for putting down your book or coffee cup. Like the rest of this series a beautiful walnut veneer takes centre stage, providing a warm and steady base for the items you choose to place on it. Let the table serve as a practical side table next to your sofa, armchair or bed, or let it stand alone for the display of special items.
