Mass Side Table w. Drawer

Lim + Lu

Uncover the evolution of elegance in the Mass Side Table, now graced with a drawer—a visionary successor to its origin. Like its series counterparts, the side table is a versatile piece with a beautiful walnut veneer that takes centre stage, lending a warm and stately base for sculptural objects, a table lamp, or a coffee book while providing ample room for your essentials. The integrated storage enhances form and function, maintaining unity within the Mass design family through its elemental materials.
