## instructions for installation & use

1. Place the Pig in its final location, Place the Table Top on the Pig by locating the 3 threaded bosses in the corresponding holes in the Pig

2. Fasten the 3 dome-headed nuts onto the bosses to fasten the tray to the pig. Remove the protection foil.

3x

Note: Due to limited accesibility, Moooi suggests first tightening the nuts with fingers and then with a 10mm ring spanner or similar.
