

MADISON

This is a young, uncomplicated sofa bed with a casual feeling for sitting, chilling and sleeping. The sofa exudes a casual elegance with its pure fabric-covered steel armrests and the many back cushions with pointed seams. The fabric-covered steel armrests give it its identity and uniqueness. The seat depth of the MADISON sofa invites you to lounge and chill. The pillows, which can be freely arranged, are sometimes used as an armrest, for lumbar support or as a backrest, and there is plenty of space for your personal favorite pillow too. The upper seat cushion can easily be folded forward, and the bed is created.
