

PALISSADE CONE TABLE

Design by Ronan & Erwan Bouroullec

Based on the desire to develop a series of tables to complement the Palissade outdoor furniture collection, French design duo Ronan and Erwan Bouroullec teamed up with HAY to create the Cone Table. Its solid base and ultra-thin steel tabletop share the same graphic design idiom as the rest of the series, enabling the table to be strong without being bulky and elegant without being fragile.

The series comprises various sizes with round and square tabletops; all featuring a stabilising concrete base. Specifically designed for outdoor use, the powder-coated steel has a protective outdoor primer for optimal durability and resilience. The collection is available in selected colours and is ideal for terraces, balconies, gardens, cafés and public spaces.

PRODUCT DETAILS

- / Part of the Palissade family collection comprising dining chairs, lounge chairs, stools, benches and tables.
- / The table's two-component coat primer and protective coating provide a barrier against corrosive elements, making it suitable for outdoor use.
- / Available in various shapes and sizes in selected colours.
- / Suitable for a wide variety of private and public environments.

HAY

MATERIAL

TABLETOP / 4mm powder coated steel

COLUMN / Powder coated steel

BASE / Concrete base

TABLETOP AND BASE COLOUR

COLOUR & FINISH

Please note that the colour codes are indicative.

Available in 2 different colours.

/ Anthracite (RAL 9011)

/ Olive (RAL 6003)

Gloss 10.

CONSTRUCTION

The table has a spun base, sharing the same construction as the feet on the rest of the collection.

The base is pre-mounted with an internal concrete stabiliser as the tabletop and base come in separate packages. The tabletop needs to be mounted to the base using 5 stainless screws with a nylon disc between. A hook has been mounted onto the base, enabling multiple tables to be securely linked together by wire.

DIMENSIONS

- / L65 x W65 x H74
- / Ø70 x H74
- / Ø90 x H74
- / Ø60 x H105

TEST

EN 15372:2016 L3 - Furniture – Strength, durability and safety – Requirements for non-domestic tables.

Test level 3 severe use: Night-club, police stations, transport terminals, hospital public areas, casino, homes for the elderly, sports changing rooms, prisons.
