VERA

Art. no.: 2-442

Description:

Floating in space With a soft and round shape defined between four lines, VERA is a welcoming and eye-catching lounge chair. The seat and the backrest are divided into six distinct areas that create a beautiful contrast to the round and organic surface that make up the outside of the chair. An elegant swivel base gives the chair a light expression in spite of the generous and comfortable size of the seat. Depending on the fabrics and colours chosen, VERA can be used as a focal point in the interior decoration – or more quietly blending in with other furniture. Winner of Good Design Award 2018
