Product description

Side Table

Environment

Indoor

Material

Frame: High strength steel
Marble: Verde Guatemala green marble
Glass: Smoked cast glass

Production process

Both frame variants are crafted from high strength steel, which is CNC bent and welded. The warm black frame undergoes sanding and powder coating, while the stainless steel version is hand-polished for a shiny surface. Marble tabletops are cut and polished to a satin finish, while soda-lime silicate float glass is molded and cooled in place.

Finishes

Table top: Smoked cast glass or Verde Guatemala marble
