WEIGHT

Product — 1.38kg
Product incl. packaging — 2.30kg

MATERIALS

Earthenware Ceramic with Coloured Glaze

FINISHES

TECHNICAL INFORMATION

This item is hand made and hand painted, therefore some variation between products is expected.

SUSTAINABILITY

Ceramic is a raw material that is extracted without intensive procedures. It is durable and will last without needing replacing. When it does reach the end of its life it is completely inert and does not harm the environment.

COUNTRY OF MANUFACTURE

Turkey
