

Tense Chandelier Ø55

Panter & Tourron

In a formation consisting of three smaller shades, each with a ø55 cm diameter, the Tense Chandelier creates a sophisticated alternative to the classic chandelier. Three screens appear in a united constellation, fusing into a united voluminous yet weightless expression. Mirroring the hallmark of the Tense series, these shades, crafted from Tyvek, diffuse a gentle luminance from both the top and bottom.

Specifications

Product Name
Tense Chandelier Ø55

Designer
Panter & Tourron

Category
Lighting

Type
Pendant Lamp

Year
2023

Material
Shades in Tyvek membrane (100% recyclable) tightened up with carbon rods, cord in black PVC.
