---

Congratulations with your new Rotate trolley designed by Space Copenhagen. We hope you will enjoy using this product and follow these instructions to ensure correct use. If you have any questions or comments, please do not hesitate to contact us by mail on: [info@andtradition.com](mailto:info@andtradition.com)

## Cleaning instructions

It is recommended only to use a soft dry cloth to clean powder coated surfaces but in case more severe cleaning is necessary, a soft cloth wrung in lukewarm water can be carefully applied. Always dry immediately after with a soft dry cloth.

Avoid using abrasive cleaning agents or aggressive cleaning detergents on powder coated surfaces as this may permanently damage the surface.
